

## Products

### – Energy Control & Management

CB431

ZigBee Dinrail Relay

#### Main Features

- ZigBee HA 1.2 compliant
- Remote on/off control
- Energy consumption measuring
- Enables scheduling for automatic switching
- Remotely control from the mobile phone
- Easy installation

#### Main Specifications

|                              |                                               |
|------------------------------|-----------------------------------------------|
| Wireless Connectivity        | • ZigBee 2.4GHz IEEE 802.15.4                 |
| ZigBee Profile               | • Home Automation Profile                     |
| Range outdoor/indoor         | • 100m/30m                                    |
| Power Input                  | • 85~250VAC 50/60 Hz                          |
| Max Load Current             | • 250VAC 16Amps 4800W<br>• 15A 3750W Tungsten |
| Calibrated Metering Accuracy | • Better than 2% 2W~15000W                    |
| Dimension                    | • 85(L) x 40(W) x 61.5(H) mm                  |
| Weight                       | • 102g                                        |
